Kibion is pleased to welcome Dr. Yvonne Ventur as the new Country Manager and Site Leader for Kibion's subsidiary, Wagner Analysen Technik in Bremen, Germany.

Dr. Yvonne Ventur has several years of successful management experience within the diagnostic and pharmaceutical industry and we are confident that the recruitment of Dr. Yvonne Ventur further will improve our customer service and support.

Dr. Yvonne Ventur has a PhD in Biology and Natural Sciences from the Max Planck Institute in Germany.

One of Dr Ventur's immediate responsibilities is to establish and roll out the IRIS training agenda for our distributors. The facility in Bremen will be utilized as the IRIS training center with fixed courses for 2012. Invitation to distributors will be sent shortly.

Best regards

KIBION
